

Turkey

Bike shops

- in Istanbul is everything available

Maps and guidebooks

- Kummerly + Frey (Turkey map) was OK

My favourites routes and things to see

- Blackseacoast from Zonguldak to Samsun / very hilly and steep, many places to swim
- Shivas to Erzincan almost along the railway line

Accommodation

- Istanbul: Hotel Agan, closed to the railway station and Sultan Ahmed / from to train station along the tram line, turn your head to the right side and you will see a pink sign maybe 50–100 meter away in a street / very friendly people, cheap, central
