My favourites routes and things to see

- Mianeh to Khalkahl to the Caspian sea / small street, nice downhill to the sea
- Chalus to Karag (closed to Theran) / spectacular canyon, nice view from the top, long uphill, good street
- Abyaneh (closed to Kashan, direction Esfahan) / nice village up in the mountains, nice place to relax some days
- Esfahan to Shiraz / not on the main road – first south and then west / nice landscape
- Over salt lake after Shiraz to Kerman / difficult to find the start, take enough water
